Volunteers Needed for Glendale Heights Parade

Once again this year, WCRA is being asked to provide communications support for the Glendale Heights Parade.

This years parade will be Saturday, August 26th. We will require 4 amateurs for line up and staging beginning at approximately 1:30 PM. An additional 8 to 10 units are needed for positions along the Parade Route. These units will need to be in place by 3:00 PM and the parade should last about an hour and a half.

Members wishing to assist with this event can signup at the meeting, send an email to John N9MWF at JCheney@Yahoo.com or by calling him at (708) 846-5818.
