

Chicagoland Foxhunters Report

Publication of the Chicagoland Foxhunters

May 2023

Vol 12 No 5

Two meter foxhunting in Chicago started in the early 1960s. One of the first hunts started on 147.30 MHz. The starting point was in Des Plaines near the Centel Building. With the introduction of 2 meter repeaters, it moved to the CFAR repeater. There were hunts on the WAFAR, ACL and CFMC repeaters with a simplex hunt sponsored by the RAMS on 146.34 MHz. Now the lineup is on CFAR, CMFC and two simplex hunts.

CFAR 2M Foxhunt - May 6th, 2023 by Tony AACC - Fox - Tony AA9CC

I was driving around and spotted this driveway after checking out a few spots and drove up it. Doesn't look steep in the image. From my vantage point I could see the first 3 hunters parked across the street and then found me on foot, the last 2 walked down from the park above after being seen across the street a few transmissions prior.. Fox was almost due south from the start about 16 miles.

2nd Sat 2M Foxhunt - May 13th, 2023 by Mike WA9FTS - Fox - Sanderson Family

Matt got the 6 hunters off with a good signal to the NW. Was he running low power and close or high power a long way off? We were about to find out as most of the hunters took 355 north. As Janet drove north, we realized that we should get off. Was North Ave a good choice as several hunters chose. We chose Geneva Rd and north on Main. With a 6 we got out and ran to the fox for the win. Tony and Don were right behind us for 2nd & 3rd. We went to Culver's nearby off Schmale Rd. Results:

1. WD9EXW, WA9FTS, Janet
2. Tony AA9CC
3. Don W9RA
4. Marty N9LTE
5. Tom N9CBA
6. Pete K9PW

Tony AA9CC brings his National Foxhunt medal for finishing 1st in over 60 category.

It was a great Spring evening as 6 hunters were released at 8:07. We found a spot in Wheaton behind Cassidy Massage in their parking lot. Their driveway was between two buildings and we were not visible from the street. It took a while but Pete drove in for the win. A minute later Tony came in for a very close 2nd. Third place was 4 min later with Tom and John came in 9 min later. About 10 min later John JK and Don quit and we all took off for Culver's. Results:

1. Pete K9PW 8:43
 2. Tony AA9CC 8:44
 3. Tom N9CBA 8:48
 4. John WD9EXW, Janet 8:57

VK3YNG Sniffer

All of our hunter use the VK3YNG Sniffer when we have to get out on foot to find the fox. We all use one in the vehicle also and W9RA uses his from start to finish.
